CAROL CERNOUSKI met recently with JERRY CRIST and CAROL made the comment that she was leaving shortly for California with her mother.

There was a meeting on 10/19/72 of the Students for Social Change (SSC) held at the Teen Barn located near 88th/College near a Baptist Church. There were approximately one hundred persons present, mostly North Central High School students.

KEVIN McKASSON, a student at North Central appeared to be in charge. MIKE SAGE, a student at North Central, was also very active and his parents, who were very straight, were sponsors for this meeting. MADELENE FLANNERY, who may be out of school, was present and has also been seen at other rallies and demonstrations in the past. MADELENE has been on radio station WNAP (rapping) and works with YFD and SSC. MADELENE may start attending SMC meetings.

The meeting started with general discussion and shortly thereafter broke up into small discussion groups. The group headed by MIKE SAGE was discussing "Student Rights".

There were numerous copies of the "Comm Cob Curtain" throughout.

ANN DUTTON AND JERRY CRIST were present from SMC

JERRY CRIST recently called YSA Chicago and it was ascertained that PETER ARCHER, a Chicago YSA'er, was presently in Champaign, Illinois and would be in Indianapolis 10/26-27-28/72 to attempt to organize an Indianapolis chapter of YSA.

DIANE FORSYTH AND MACK DAVIS approached the Southport High School principle regarding the establishment of an SMC chapter there. The principle stated that one could not be organized there, however, literature could be disseminated.
